**APPROVAL OF MINUTES**

Mr. Thompson made a motion to approve the Minutes of the May 13, 2019 Regular meeting as written. Chairman Steele seconded the motion and the motion carried.

**OLD BUSINESS**

Discussion regarding Sunday voting was tabled until the next meeting.

Chairman Steele updated Mr. Thompson on discussion regarding the Livingston Precinct. Ms. Mantle presented the Board with a map of the Livingston Precinct and surrounding precincts with voter registration totals. Ms. Mantle explained that the Board would need to consider the number of voters at these precincts and could the facilities accommodate the increase. Ms. Mantle also advised the Board that placing voters from the Livingston Precinct into other precincts may cause additional district splits within those precincts. Chairman Steele thanked Ms. Mantle for the information provided.

Chairman Steele asked Ms. Mantle for clarity on the transferred voters and cancellations on the monthly report. Ms. Mantle explained that the transferred voters were voters that moved out of Newton County and registered in another county in Georgia. The cancellations were the voters moved to a cancelled status due to being deceased, convicted felons, or had requested removal from the electors list.

Chairman Steele also inquired about the National Change of Address process and requested an update. Ms. Mantle stated that 3,876 confirmation notices had been mailed out to voters on Thursday, June 6, 2019 and the office had met the June 10, 2019 deadline set by the Elections Division at Secretary of State's office. Ms. Mantle informed the Board that five notices had been returned undeliverable as of Monday and expected that number to increase.

**NEW BUSINESS**

Chairman Steele made a motion to remove the challenged deceased voters from the electors list. Mr. Thompson seconded the motion and the motion passed.
