

Governor Perdue and Mother Nature say:

**“It’s OK to water...
as long as you are
water smart, Georgia.”**

If your landscape is...	You can...	At these times...
Established	hand water* for 25 minutes.	Between 12:00 midnight and 10:00 a.m. (3 days/week on an odd/even schedule.*)
Newly installed	water if you have registered with the Outdoor Water Use Registration Program.*	Between 12:00 midnight and 10:00 a.m. for 30 days during a period of 10 weeks. (3 days/week for 10 consecutive weeks on an odd/even schedule.*) May be watered at any time during installation.

* Visit www.OutdoorWaterUse.com for definitions and details.

Check your local water provider for additional restrictions.
