### Section 10-001  Short Title

This Act may be cited as the "Newton County Water and Sewerage Authority Act." (Ga.L. 1970, p. 2449.)
Section 10-002  Newton County Water and Sewerage Authority

There is created a body corporate and politic to be known as the Newton County Water and Sewerage Authority, which shall be deemed to be a political subdivision of the State of Georgia and a public corporation and by that name, style, and title said body may contract and be contracted with, sue, and be sued, implead, and be impleaded, and complain and defend in all courts of law and equity. The Authority shall consist of eight members. The mayor and council of the town of Oxford, the mayor and council of the town of Porterdale, and the mayor and council of the City of Covington, respectively, shall nominate one member each and thereafter it shall be the duty of the Board of Commissioners of Newton County to appoint said nominees. The remaining five (5) members shall be nominated and appointed as follows: each member of the Board of Commissioners of Newton County shall recommend one person from such commissioner’s district and the entire board shall approve the appointment of such members. The two (2) members of the Authority who were previously appointed by the Board of Commissioners and who are serving on the effective date of this Act shall serve until their regular terms expire and their successors are elected and qualified. Such members shall be deemed to be the appointees from the districts in which they reside. The three new members of the Authority provided for by this Act shall be appointed for initial terms as follows: one member shall serve for an initial term of one (1) year, one for an initial term of two (2) years, one for an initial term of three (3) years, and thereafter the term of office for all members of the Authority shall be for a period of five (5) years, and until their successors are appointed and qualified. Any member of the Board of Commissioners of Newton County shall be eligible for appointment to and service on said Authority. Five (5) members shall constitute a quorum. No vacancy on the Authority shall impair the right of the quorum to exercise all the rights and perform all the duties of the Authority. The members of the Authority shall elect a chairman and vice chairman of the Authority from among the members thereof and shall also elect a secretary-treasurer who need not be a member of the Authority. The members of the Authority shall be entitled to a compensation for their services at the rate of six hundred dollars ($600.00) per annum, payable monthly, and all members shall be reimbursed for their actual expenses necessarily incurred in the performance of their duties. The Authority shall make rules and regulations for its own government. It shall have perpetual existence. The Authority shall have the right to appoint an administrator from the membership of the Authority. (Ga.L. 1970, p. 2449, as amended by Ga.L. 1978, p. 3655, Ga.L. 1989, p. 4667.)

Section 10-003  Vacancies

In the event of a vacancy in the membership of the Authority by reason of death, cause, resignation or disability, said vacancy shall be filled by the Board of Commissioners of Newton County. (Ga.L. 1970, p. 2449.)

Section 10-004  Removal of Members

The Board of Commissioners of Newton County may remove any members appointed by it for cause. No member of the Authority shall be removed unless he has been given a copy of the charges against him and an opportunity to be publicly heard in his own defense in person or by counsel with at least ten (10) days written notice. A member removed from office shall have the right of judicial review of his removal by an appeal to the Superior Court of Newton County but only on the ground of error of law or abuse of discretion. In case of an abandonment of his office, conviction of a crime involving moral turpitude or a plea of nolo contendere thereto, the office of such member shall be declared vacant by the Authority. A member shall be deemed to have abandoned his office upon failure to attend any regular or special meeting of the Authority for a period of three (3) months without excuse approved by a resolution of the Authority. (Ga.L. 1970, p. 2449.)

Section 10-005  Definitions

As used in this Act the following words and terms shall have the following meanings:

1. The word "Authority" shall mean the Newton County Water and Sewerage Authority created by Section 2 of this Act.

2. The word "project" shall mean and include the acquisition and construction of all necessary and usual water facilities useful and necessary for the obtaining of one or more sources of water supply, the treatment of water and the distribution and sale of water to users and consumers, including counties and municipalities for the purpose of resale, within and without the territorial boundaries of Newton County and the operation, maintenance, additions, improvements, and extensions of such facilities so as to assure an adequate water utility system deemed by the Authority necessary or convenient for the efficient operation of such type of undertaking. Said term shall also include all necessary and usual facilities for the treatment and disposal of sewerage in said county.
3. The term "cost of the project" shall embrace the cost of construction, the cost of all lands, properties, right easements and franchises acquired, the cost of all machinery and equipment, financing charges, interest prior to and during construction, and for one year after completion of construction, cost of engineering, architectural and legal expenses, and of plans and specifications, and other expenses necessary or incident to determining the feasibility or practicability of the project, administrative expense, and such other expenses as may be necessary or incident to the financing herein authorized, the construction of any project, the placing of the same in operation, and the condemnation of property necessary for such construction and operation. Any obligation or expense incurred for any of the foregoing purposes shall be regarded as a part of the cost of the project and may be paid or reimbursed as such out of the proceeds of revenue bonds issued under the provisions of this Act for such project.

4. The terms "revenue bonds" and "bonds" as used in this Act, shall mean revenue certificates as defined and provided for in the Revenue Certificate Law of Georgia (Ga.L. 1937, p. 761, as amended), and such type of obligations may be issued by the Authority as authorized under said Revenue Certificate Law and in addition, shall also mean obligations of the Authority the issuance of which are hereinafter specifically provided for in this Act.

5. Any project shall be deemed "self-liquidating" if, in the judgment of the Authority, the revenues and earnings to be derived by the Authority therefrom will be sufficient to pay the cost of operating, maintaining and repairing, improving and extending the project and to pay the principal and interest of the revenue bonds which may be issued for the cost of such project or projects.

Section 10-007 Competitive Bidding on Contracts

1. Except in the purchase of unique articles or articles which for any reason are unobtainable in the open market, and except as hereinafter provided, competitive bids shall be secured before any purchase or sale by contract or otherwise is made by the Authority, or before any contract is awarded for construction, alterations, supplies, equipment, repairs or maintenance, or for rendering any services to the Authority other than professional services, and the purchase shall be made from, or the contract shall be awarded to, the lowest responsible bidder, or a sale to the highest responsible bidder. Where the amount involved is one thousand dollars ($1,000.00) or more, no purchase of any unique article or other articles unobtainable in the open market shall be made unless a report detailing why such unique article or other articles are unobtainable in the open market is submitted to the governing authority of Newton County.

2. All purchases, contracts and sales of one thousand dollars ($1,000.00) or more shall be awarded after advertising in the official organ of Newton County at least two (2) weeks prior to the bid opening. Bids shall be publicly opened and read aloud at a date, time and place designated in the invitation to bid. 4. Purchases of sales under five hundred dollars ($500.00) may be negotiated with or without competitive bidding under sound procurement procedures as promulgated and established by the Authority.

5. Competitive bidding requirements may be waived if it is determined by the Authority that an emergency directly and immediately affecting customer service or public health, safety or welfare requires immediate delivery of supplies, materials, equipment or services; provided, however, that a record explaining the emergency shall be submitted to the governing authority of Newton County.

6. The Authority shall have the right to reject any or all bids, or parts of any or all bids, whenever in the opinion of the Authority such rejection is necessary for the protection of the interests of the Authority. In such cases, the Authority shall re-advertise for new bids on the same or different terms.

(Ga.L. 1970, p. 2449.)
Section 10-008 Contractors to Give Bond

Contractors who are awarded contracts by the Authority shall be required to give bond in an amount equal to the amount of the bid, with good security, for the faithful performance of the contract and to indemnify the Authority for any damages occasioned by a failure to perform the same within the prescribed time. Such bond shall be approved by and filed with the Authority or shall be approved by and filed with such other person as may be designated by the Authority. (Ga.L. 1970, p. 2449.)

Section 10-009 Members of the Authority Not to be Interested in Contracts

The Authority is hereby prohibited from entering into a contract for the purchase of goods, property or service with any member of the Authority, his employer, partner, principal, agent, servant or employee, nor shall the Authority enter into any contract in which any member of the Authority is financially interested, directly or indirectly. Neither shall the Chairman nor any member of the Authority, his partner, employer, principal, agent, servant or employee enter into any contract with the Authority, or sell to the Authority any goods, property or service; provided, however, this Section shall not apply to goods or services purchased from any public utility which is regulated by the Georgia Public Service Commission. Any contract made in violation of the provisions of this Section shall be void, and any person knowingly offending this Section shall be removed from office as a member of the Authority upon proper proceedings instituted by any taxpayer in said county in accordance with the provisions of Section 23-1714 of the Code of Georgia of 1933 relating to the removal of county officers. (Ga.L. 1970, p. 2449.)

Section 10-010 Revenue Bonds

The Authority, or any authority or body which had or which may in the future succeed to the powers, duties, and liabilities vested in the authority created by this Act, shall have power and is authorized at one time, or from time to time, to provide by resolution for the issuance of negotiable revenue bonds of the authority in a sum not to exceed fifty million outstanding at any one time for the purpose of paying all or any part of the cost as defined in this Act of any one or more projects. The principal and interests of such revenue bonds shall be payable solely from the special fund provided in this Act for such payment. The bonds of each issue shall be dated, shall bear interest at such rate or rates not exceeding the interest allowed by Article 3 of Chapter 82 of Title 36 of the O.C.G.A., the “Revenue Bond Law,” as now provided or may hereafter be provided by amendment thereto, payable semiannually, shall mature at such time or times not exceeding forty (40) years from their date or dates, shall be payable in such medium of payment as to both principal and interest as may be determined by the authority, and may be made redeemable before maturity, at the option of the authority, at such price or prices and under such terms and conditions as may be fixed by the authority in the resolution providing for the issuance of the bonds. (Ga.L. 1970, p. 2449, as amended by Ga.L. 1992, p. 6469, Ga.L. 1994, p. 5101, Ga.L. 1996, p. 3728.)

Section 10-011 Form; Denominations; Registration; Place of Payment

The Authority shall determine the form of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest thereof, which may be at any bank or trust company within or without the State. The bonds may be issued in coupon or registered form, or both, as the Authority may determine, provision may be made for the registration of any coupon bond as to principal alone and also as to both the principal and interest. (Ga.L. 1970, p. 2449.)

Section 10-012 Signatures; Seal

In any office whose signature shall appear on any bonds or whose facsimile signature shall appear on any coupon shall cease to be such officer before the delivery of such bonds, such signature shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. All such bonds shall be signed by the Chairman of the Authority and official seal of the Authority shall be fixed thereto and attested by the secretary of the Authority and any coupons attached thereto shall bear the signature or facsimile signature of the Chairman of the Authority. Any coupon may bear the facsimile signature of such person and any bond may be signed, sealed and attested on behalf of the Authority by such persons as at the actual time of the execution of such bonds shall be duly authorized or hold the proper office, although at the date of such bonds such persons may not have been so authorized or shall not have held such office. (Ga.L. 1970, p. 2449.)

Section 10-013 Negotiability; Exemption from Taxation
All revenue bonds issued under the provisions of this Act shall have and are hereby declared to have all the qualities and incidents of negotiable instruments under the negotiable instruments law of the State. Such bonds and the income thereof shall be exempt from all taxation within the State. Ga.L. 1970, p. 2449.

Section 10-014 Sale; Price

The Authority may sell such bonds in such manner and for such price as it may determine to be for the best interest of the Authority, but no such sale shall be made at a price so low as to require the payment of interest on the money received therefor at a greater rate than the interest allowed by the Revenue Bond Law as now provided or may hereafter be provided by amendment thereto, computed with relation to the absolute maturity of the bonds in accordance with standard tables of bond values, excluding, however, from such computation the amount of any premium to be paid on redemption of any bond prior to maturity. (Ga.L. 1970, p. 2449.)

Section 10-015 Proceeds of Bonds

The proceeds of such bonds shall be used solely for the payment of the cost of the project or projects, and unless otherwise provided in the resolution authorizing the issuance of the bonds or in the trust indenture, additional bonds may in like manner be issued to provide the amount of such deficit, which unless otherwise provided in the resolution authorizing the issuance of the bonds or in the trust indenture, shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued for the same purpose. If the proceeds of the bonds of any issue shall exceed the amount required for the purpose for which such bonds are issued, the surplus shall be paid into the fund hereinafter provided for the payment of principal and interest of such bonds. (Ga.L. 1970, p. 2449.)

Section 10-016 Interim Receipts and Certificate or Temporary Bonds

Prior to the preparation of definitive bonds, the Authority may, under like restrictions issue interim receipts, interim certificates or temporary bonds, with or without coupons exchangeable for definitive bonds upon the issuance of the latter. (Ga.L. 1970, p. 2449.)

Section 10-017 Replacement of Lost or Mutilated Bonds

The Authority may also provide for the replacement of any bond which shall become mutilated or be destroyed or lost. (Ga.L. 1970, p. 2449.)

Section 10-018 Conditions Precedent to Issuance; Object of Issuance

Such revenue bonds may be issued without any other proceedings or the happening of any other conditions or things than those proceedings, conditions and things which are specified or required by this Act. In the discretion of the Authority, revenue bonds of a single issue may be issued for the purpose of any particular project. Any resolution providing for the issuance of revenue bonds under the provisions of this Act shall become effective immediately upon its passage and need not be published or posted and any such resolution may be passed at any regular or special or adjourned meeting of the Authority by a majority of its members. (Ga.L. 1970, p. 2449.)

Section 10-019 Credit Not Pledged

Revenue bonds issued under the provisions of this Act shall not be deemed to constitute a debt of Newton County or a pledge of the faith and credit of said county, but such bonds shall be payable solely from the fund hereinafter provided for and the issuance of such revenue bonds shall not directly, indirectly or contingently obligate said county to levy or to pledge any form of taxation whatever therefor or to make any appropriation for the payment, and all such bonds shall contain recitals on their face covering substantially the foregoing provisions of this Section. (Ga.L. 1970, p. 2449.)
Section 10-020 Trust Indenture as Security

In the discretion of the Authority, any issuance of such revenue bonds may be secured by a trust indenture by and between the Authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or outside of the State. Such trust indenture may pledge or assign fees, tolls, revenues and earnings to be received by the Authority. Either the resolution providing for the issuance of revenue bonds or such trust indenture may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Authority in relation to the acquisition of property, the construction of the project, the maintenance, operation, repair and insurance of the project, and the custody, safeguarding and application of all monies, and may also provide that any project shall be constructed and paid for under the supervision and approval of consulting engineers or architects employed or designated by the Authority, and satisfactory to the original purchasers of the bond issued therefor and may also require that the security given by contractors and by any depository of the proceeds for the bonds or revenues or other monies be satisfactory to such purchasers, and may also contain provisions concerning the conditions, if any, upon which additional revenue bonds may be issued. It shall be lawful for any bank or trust company incorporated under the laws of this State to act as such depository and to furnish such indemnifying bonds or pledge such securities as may be required by the Authority. Such indenture may set forth the rights and remedies of the bondholders and of the trustee, and may restrict the individual right of action of bondholders as is customary in trust, indentures securing bonds and debentures of corporations. In addition to the foregoing, such trust indentures may contain such other provisions as the Authority may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out such trust indenture may be treated as a part of the cost of maintenance, operation and repair of the project affected by such indenture. (Ga.L. 1970, p. 2449.)

Section 10-021 To Whom Proceeds of Bonds Shall be Paid

The Authority shall, in the resolution provided for the issuance of revenue bonds or in the trust indenture, provide for the payment of the proceeds of the sale of the bonds to any officer or person who, or any agent, bank or trust company which shall act as trustee of such funds, and shall hold and apply the same to the purposes hereof, subject to such regulations as this Act and such resolution or trust indenture may provide. (Ga.L. 1970, p. 2449.)

Section 10-022 Sinking Fund

The revenues, fees, tolls and earnings derived from any particular project, or projects, regardless of whether or not such fees, earnings, and revenues were produced by a particular project for which bonds have been issued unless otherwise pledged and allocated, may be pledged and allocated by the Authority to the payment of the principal and interest on revenue bonds of the Authority as the resolution authorizing the issuance of the bonds or in the trust instrument may provide, and such funds so pledged from whatever source received, which said pledge may include funds received from one or more or all sources, shall be set aside at regular intervals as may be provided in the resolution or trust indenture, into a sinking fund which said sinking fund shall be pledged to and charged with the payments of (1) the interest upon such revenue bonds as such interest shall be due, (2) the principal of the bonds as the same shall be due, (3) the necessary charges of paying agents for paying principal and interest, and (4) any premium upon bonds retired by call or purchase as hereinabove provided. The use and disposition of such sinking fund shall be subject to such regulations as may be provided in the resolution authorizing the issuance of the revenue bonds or in the trust indenture, but, except as may otherwise be provided in such resolution or trust indenture, such sinking fund shall be a fund for the benefit of all revenue bonds without distinction or priority of one over another. Subject to the provisions of the resolution authorizing the issuance of the bonds or in the trust indenture surplus monies in the sinking fund may be applied to the purchase or redemption of bonds and any such bonds so purchased or redeemed shall forthwith be canceled and shall not again be issued. (Ga.L. 1970, p. 2449.)

Section 10-023 Remedies of Bondholders

Any holder of revenue bonds issued under the provisions of this Act or any of the coupons appertaining thereto, and the trustee under the trust indenture, if any, except to the extent of the rights herein given may be restricted by the resolution passed before the issuance of the bonds or by the trust indenture, may, either at law or in equity, by suit, action, mandamus, or other proceedings, protect and enforce any and all rights under the laws of the State of Georgia or granted hereunder or under such resolution or trust indenture, and may enforce and compel performance of all duties required by this Act or by such resolution or trust indenture, to be performed by the Authority, or any officer thereof, including the fixing, charging, and collecting of revenues, fees, tolls, and other charges for the use of the facilities and services furnished. (Ga.L. 1970, p. 2449.)
Section 10-024 Refunding Bonds

The Authority is hereby authorized to provide by resolution for the issue of revenue funding bonds of the Authority for the purpose of refunding any revenue bonds issued under the provisions of this Act and then outstanding, together with accrued interest thereon. The issuance of such revenue refunding bonds, the maturities and all other details thereof, the rights of the holders thereof, and the duties of the Authority in respect to the same, shall be governed by the forcing provisions of this Act insofar as the same may be applicable. (Ga.L. 1970, p. 2449.)

Section 10-025 Venue and Jurisdiction

Any action to protect or enforce any rights under the provisions of this Act or any suit or action against such Authority shall be brought in the Superior Court of Newton County, Georgia, any action pertaining to validation of any bonds issued under the provision of this Act shall likewise be brought in said court which shall have exclusive, original jurisdiction of such actions. (Ga.L. 1970, p. 2449.)

Section 10-026 Validation

Bonds of the Authority shall be confirmed and validated in accordance with the procedure of the Revenue Certificate Law of 1937, as amended. The petition for validation shall also make party defendant to such action any municipality, county, authority, subdivision or instrumentality of the State of Georgia which has contracted with the Authority for furnishing or receiving the services and facilities of the water and sewerage system for which bonds are to be issued and sought to be validated and such municipality, county, authority, subdivision or instrumentality shall be required to show cause, if any, why such contract or contracts and the terms and conditions thereof should not be inquired into by the court and the validity of the terms thereof be determined and the contract or contracts adjudicated as security for the payment of any such bonds of the Authority. The bonds when validated, and the judgment of validation shall be final and conclusive with respect to such bonds, against the Authority issuing the same, and any municipality, county, authority, subdivision or instrumentality contracting with the said Newton County Water and Sewerage Authority. (Ga.L. 1970, p. 2449.)

Section 10-027 Interests of Bondholders Protected

While any of the bonds issued by the Authority remain outstanding, the powers, duties or existence of said Authority or of its officers, employees or agents shall not be diminished or impaired in any manner that will affect adversely the interests and rights of the holders of such bonds, and as other entity, department, agency or authority will be created which will compete with the Authority to such an extent as to affect adversely the interests and rights of the holders of such bonds, nor will the State itself so compete with the Authority. The provisions of this Act shall be for the benefit of the Authority and the holder of any such bonds, and upon the issuance of bonds under the provisions hereof, shall constitute a contract with the holders of such bonds. (Ga.L. 1970, p. 2449.)

Section 10-028 Monies Received Considered Trust Funds

All monies received pursuant to the authority of this Act, whether as proceeds from the sale of revenue bonds, as grants or other contributions, or as revenues, fees and earnings, shall be deemed to be trust funds to be held and applied solely as provided in this Act. (Ga. L. 1970, p. 2449.)

Section 10-029 Purpose of the Authority

Without limiting the generality of any provisions of this Act the general purpose of the Authority is declared to be that of acquiring an adequate source or sources of water supply, treatment of such water, and thereafter the distribution of same to the Newton County water system, and the various municipalities in said county and environs, including adjoining counties and municipalities located therein, but such general purpose shall not restrict the Authority from selling and delivering water direct to consumers in those areas where there does not now exist water distribution systems and where neither any county nor municipality deems it desirable or feasible to furnish water in such locality. It is also the general purpose of the Authority to treat and dispose of sewerage and provide the necessary facilities for said purpose. (Ga.L. 1970, p. 2449.)

Section 10-030 Rates, Charges and Revenues; Use
