

SNAPPING SHOALS E.M.C.
Covington, Georgia
TRAFFIC SIGNAL SERVICE CONTRACT

I, Newton County Board of Commissioners, the undersigned, being a member of Snapping Shoals Electric Membership Corporation (here-in-after called the Cooperative), do hereby request the installation of traffic signal facilities as listed below. I understand that this service is provided under Schedule "TS" of the Cooperative's service rates as approved by the Cooperative's Board of Directors. The rates and charges indicated below reflect the current charges for these services under the current rate schedule and are subject to change from time to time, including during the initial term of this contract. Further, this service is subject to the following terms and conditions:

1. Service will be rendered only at locations that, solely in the opinion of the Cooperative, are readily accessible for installation and maintenance.
2. Service will meet requirements as detailed in SSEMC Traffic Light Specification. (Unmetered)
3. Payments required herein do not constitute ownership of any facilities by the member. The Cooperative retains full ownership of poles, wiring, etc.

Member's unmetered service may be subject to disconnection if terms and conditions of this contract are not met.

CONTRACT TERM: The initial term of this contract shall be for 12 months and shall be automatically renewed unless canceled upon thirty days written notice.
